

SHOWA ATLAS® 330

A reinforced thumb crotch and natural rubber coating ensure these abrasion-resistant gloves keep hands protected and comfortable during hard-wearing jobs. The dark colors prevent staining and keep the gloves of a higher standard for longer. Seamless lining within the glove reduces irritation over long periods of wear, and its ergonomic design fits like a second skin to reduce hand fatigue.

BENEFITS

- Abrasion-resistant
- Extra Grip
- Breathable
- Seamless knit
- Skin-friendly

FEATURES

- Ergonomic
- Rough grip
- Elasticated wrist cuff
- Palm-dipped natural rubber coating

- Seamless knit

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
