

TOOLPRO

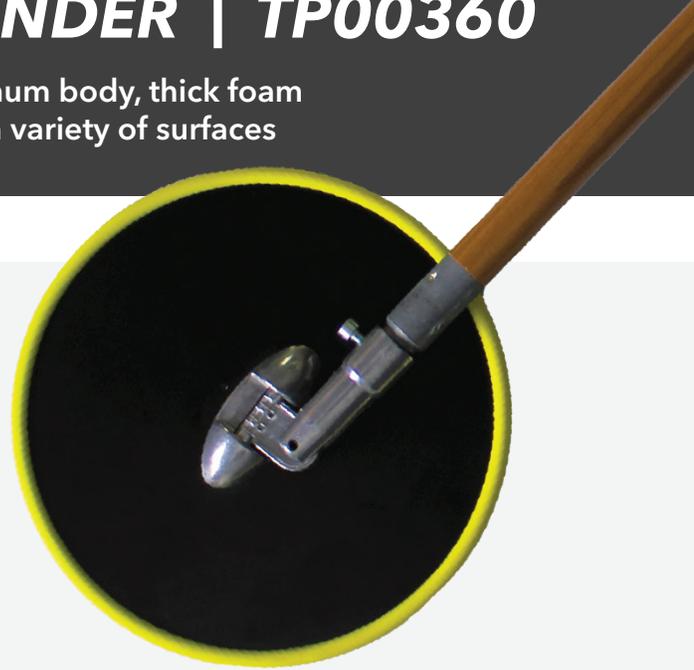

PRODUCT OVERVIEW

9 IN. ROUND HEAD POLE SANDER | TP00360

Delivers smooth, efficient sanding with a lightweight aluminum body, thick foam backup pad, and non-marking bumper for clean results on a variety of surfaces

PRODUCT FEATURES

- Body constructed from structural-grade 11-gauge aluminum
- 1/2 in. replaceable foam pad delivers smooth results on flat or curved surfaces such as arches and columns
- Fully wrapped with a 5/16 in. non-marking rubber bumper to protect adjacent surfaces
- Compatible with any standard 9 in. hook-and-loop sanding disc
- Added set screw to securely attach to any standard extension pole
- Sanding head is engineered to resist flipping, making it perfect for drywall and paint jobs
- Designed for professional and DIY applications
- Lightweight design for extended use
