Sanding Block  
#04140

**TOOLPRO**  
Med./ Coarse  
Sanding Block  
#04150

- For best results, sand with the grain of the surface and work through a sequence of grits, from coarse to fine.
- Good for tight corners/ceilings
- Durable, abrasive mineral coating lasts longer than regular sandpaper
- Anti-clogging
- Use wet or dry
- When finished, simply rinse and reuse
