

TOOLPRO

PRODUCT OVERVIEW

2 IN. LEATHER TOOL BELT | TP70960

Heavy-duty leather tool belt with a twin roller buckle, built to securely support pouches and tools while providing a durable, adjustable fit for waists 28-50 in.

PRODUCT FEATURES

- **Premium Oil-Tanned Leather:** Crafted from oil-tanned, top-grain cowhide that stays soft and flexible while resisting cracking, even when exposed to moisture, cold, and job-site conditions
- **Heavy-Duty Twin Roller Buckle:** Steel twin-needle roller buckle with a double-prong design provides a secure fit while evenly distributing weight to prevent holes from stretching or tearing under heavy loads
- **Universal Tool Belt Base:** Easily accommodates standard tool pouches, nail bags, and hammer holders
- **Jobsite-Ready Hardware:** Equipped with nickel-plated steel hardware and engineered to withstand the dust and debris of drywall sites
- **Easy Adjustability:** The integrated steel roller on the buckle allows for smooth cinching and quick adjustments, reducing friction against the leather to extend the life of the belt
- **Versatile Fit Range:** Designed to fit a wide range of waist sizes from 28 inches to 50 inches, ensuring a secure and reliable fit for most professionals
